

Attention animal lovers! We're also doing a personalized paw print ornament fundraiser on December 10th to benefit MEHS, a non-profit, NO-kill animal rescue with facilities in Edwardsville and Highland, IL.

The registration deadline is November 30th and pre-orders are required. We will laser cut and engrave a personalized ornament with your pet's name on it for \$15. Come in during our December 10th make and take day to paint or stain and finish it in our studio. We'll be on hand to help. A take home option is available if you can't make the date.

50% of the profits will go back to MEHS to support their efforts in caring for animals. You can order your ornament here: <https://www.highlandcrafts.net/event/mehs-fundraiser/> or check our open studio dates/times on our calendar here: <https://www.highlandcrafts.net/events/>
