

Three Brothers Masonic Golf Scramble
- Benefiting "Shriners Children's"

May 2023

Fellow Supporters,

Charity is an important part of our Masonic Fraternity. We seek sponsors for our golf tournament who are willing to assist us in that noble endeavor.

The proceeds will benefit Shriners Children's.

Since 1922, Shriners Hospital for Children now **Shriners Children's** not only includes hospitals but clinics and outpatient centers. And continues to adapt while maintaining its three part mission: to change and improve lives. This is done by patient care, research & development, and education of medical professionals.

Members of the Shriners Fraternity have been devoted to providing high-quality specialty medical care to children and families, regardless of their ability to pay. A century later, that commitment hasn't changed — only expanded.

Our goal is to find sponsors who wish to support us in that mission. On behalf of Marine, Gordon and Highland Masonic Lodges, I would like to thank you for your consideration and support.

Best regards,

Neil Micnheimer
